Remembering those who have served our country, and often benefited other countries, in their dedication to the armed services throughout history. Minooka Veterans Memorial Park is dedicated to all veterans.

The village owned property at the corner of Mondamin Street and Wabena Avenue was the site of the old train depot. This site has now been established through the help a volunteer committee, The Village of Minooka, and the Minooka American Legion as a Veterans Memorial Park.

A Veterans Circle and pathway made of plane and inscribed bricks is an integral part of the Park. Any man or woman who served in the armed forces can have their name inscribed on a brick for the pathway.

The park is funded in part by Minooka Sumerfest proceeds and donations from businesses, individuals, and organizations.

You can help by purchasing a brick for yourself, a relative, or a friend.

Here's your unique opportunity to invest in Minooka Veterans Memorial Park

Purchase a brick inscribed with a Veteran's name and they will become a permanent part of the Veterans Walkway and Circle
